

We have taken the following measures based on the prevention of the spread of COVID-19 infection shown by Japanese government and Hokkaido government.

#### **More frequent and thorough hygiene management**

- ◇Disinfectants are regularly used during cleaning, especially in locations frequented by large numbers of people.
- ◇We will be thoroughly disinfected on a regular basis the gondola.
- ◇The ticket counter, rental reception, school reception, shop cashier etc., will be shielded to prevent splashing.
- ◇All activity equipment is disinfected before and after specification.
- ◇We will always be careful about ventilation. Some one restaurants and rest area open windows or use a blower.
- ◇The tableware used in the restaurant is washed at a high temperature of 80°C or higher, as well as disinfectant cleaning of food trays will be done regularly.

#### **Social distancing measures**

- ◇The gondola and some one lifts may limit the number of passengers. In addition, we may not be able to share with other customers.
- ◇In the restaurants and the rest areas, the number of seats is limited compared to normal times, and tables are spaced from each other.
- ◇Mark the floor of the building to maintain the social distance.
- ◇We recommend using contactless payment such as credit card or smartphone payment for the purchase of lift tickets.
- ◇If you would like a lesson and activity, you should advance book it.

#### **Health check of guests and staff**

- ◇In consideration of the health of both customers and staff, the staff will be wearing masks as a precautionary measure.
- ◇Guests are requested to wear a face mask when using the facility except for meals. Acceptable for wear Neck Tube or Face Mask.
- ◇Guests are required to take body temperature measurements when checking in for lessons and activities. If the guest's body temperature is 37.5°C/99.5°F or higher, we may refuse to participate.
- ◇For customers with poor physical condition in refraining from participating to prevent the spread of infection.

#### **Hand sanitizers/hand-washing**

- ◇We recommend highly recommended that you perform careful hand washing and proper hand disinfection as a precaution.
- ◇Hand sanitizer is installed in various places such as restaurants and entrances inside the ski center.

#### **Additional Information**

- ◇ These measures are subject to change without notice due to Changes in government guidelines, and changes in social conditions.
